Township of Lower Makefield
Sewer Department

NOTICE TO RESIDENTS FROM THE L.M.T. SEWER DEPARTMENT REGARDING SECOND WATER METERS:

AS YOU KNOW, SEWER BILLS ARE BASED ON WATER CONSUMPTION INFORMATION SUPPLIED BY THE WATER COMPANY. IF WATER USE IS ANTICIPATED FOR SWIMMING POOLS OR IRRIGATION SYSTEMS, IT IS SUGGESTED THAT A SECOND WATER METER BE INSTALLED TO MEASURE WATER THAT DOES NOT FLOW THROUGH THE SANITARY SYSTEM. (THE INSTALLATION IS THE HOMEOWNER'S EXPENSE.)

SINCE ALL WATER CONSUMPTION MUST BE METERED, THE SECOND METER MUST BE INSTALLED **AFTER** THE WATER COMPANY METER, NOT ON THE LINE IN FRONT OF THE METER.

WHEN INSTALLING A REPLACEMENT OR NEW SECOND WATER METER, PLEASE EMAIL A PICTURE OF THE FACE OF THE METER TO customerservice@BCWSA.net IN ORDER TO DOCUMENT A STARTING READ.

IN NOVEMBER OF EACH YEAR, THE SEWER DEPARTMENT NOTIFIES ALL RESIDENTS WITH A SECOND WATER METER TO TAKE A PICTURE OF THE FACE OF THE METER AND EMAIL IT TO BCWSA.

NOTE: DEFECTIVE METERS MUST BE REPLACED AND A PICTURE OF THE FACE OF THE METER MUST BE RECEIVED BEFORE **ANY** CREDITS WILL BE ISSUED.
