The November 19, 2012 meeting of the LMT Citizens Traffic Commission was called to order at 7:30PM.

Approve Minutes – The August 20, 2012 CTC meeting minutes were approved unanimously, as written. The September 24, 2012 CTC meeting minutes were approved unanimously, as written. The October 15, 2012 CTC meeting minutes were approved unanimously, as written.

Deer Accident Map – Mrs. Torbert indicated that she would like the final map to be comprised of all deer/vehicle incidents from 2009 through 2012. Mr. Weaner will e-mail her with a list of the data he already has.

Discussion of Safe Driving Event – Mrs. Torbert will call Toyota to find out what their plans are for offering additional safe driving programs for teens.

Samost Development – Mrs. Torbert presented the preliminary final plans for the Samost ballfields. After reviewing the plans, it was agreed that Mrs. Torbert will e-mail Mrs. Tyler, and copy the CTC, to let her know that the CTC believes that it would be appropriate for the Traffic Engineer to review the plans with the community center in mind. In addition, the CTC believes that the plans do not clearly show how the interior roadway/driveway accesses Edgewood Road. And, finally, it is felt that the Traffic Engineer should review the layout of the proposed parking lots to avoid future problems.

Discussion of Traffic Calming Guidelines – Mrs. Torbert distributed a copy of her updated traffic calming process write-up, for review. After discussion, it was agreed that Mrs. Torbert would incorporate the members' suggested changes and send the document out to the CTC for another review.

With no further business to discuss, the November 19, 2012 CTC meeting was adjourned at 9:30PM. The next meeting will be December 17, 2012, in the LMT municipal building, at 7:30PM. The dates of the January and February meetings are to be decided.

Respectfully Submitted,

Virginia Torbert, Chairperson
