All, I wanted to send this out to you to see if you had any feedback on these particular policies. They have been recommended by the Park Board in January pending legal review and reviewed by our solicitor.

Please let me know if you have any questions or concerns about our Security and Access Policy and Facilities Policy to get started. There will be more to follow. If you have any edits or notes please send them to me by Thursday April 1.

Please also look forward to reviewing our ADA transition plan that was created in partnership with the Disability Advisory Board and the Parks and Recreation Board. I am really looking forward to sharing it with you and hearing your feedback. It has been a fun project.
