LMTS,

Happy Thanksgiving! Greetings from Kuwait. What a nice surprise was received when all of the care packages arrived. It was like Christmas, opening all of the boxes. My staff and I are so thankful for your generosity. Some days are challenging out here and little acts of kindness mean so much to the people here.

We love what we do... we love serving our country and we love taking care of our fellow Sailors, Soldiers, and Marines out here. It is truly rewarding to be a part of something that keeps people safe and healthy.

Thank you again for the packages and mostly for the kind words and prayers. God Bless and we look forward to a safe return in a few months.
