NOTICE TO RESIDENTS FROM THE L.M.T. SEWER DEPARTMENT REGARDING SECOND WATER METERS:

AS YOU KNOW, SEWER BILLS ARE BASED ON WATER CONSUMPTION INFORMATION SUPPLIED BY THE WATER COMPANY. IF WATER USE IS ANTICIPATED FOR SWIMMING POOLS OR IRRIGATION SYSTEMS, IT IS SUGGESTED THAT A SECOND WATER METER BE INSTALLED TO MEASURE WATER THAT DOES NOT FLOW THROUGH THE SANITARY SYSTEM. (THE INSTALLATION IS THE HOMEOWNER'S EXPENSE.)

IN NOVEMBER OF EACH YEAR, THE SEWER DEPARTMENT NOTIFIES ALL RESIDENTS WITH A SECOND WATER METER TO MAKE ARRANGEMENTS FOR A READING. AN ADJUSTMENT WILL THEN BE MADE TO THE 4TH QUARTER SEWER BILL TO REFLECT WATER USE NOT ENTERING THE SEWER SYSTEM. SINCE ALL WATER CONSUMPTION MUST BE METERED, THE SECOND METER MUST BE INSTALLED **AFTER** THE WATER COMPANY METER, NOT ON THE LINE IN FRONT OF THE METER.

WHEN INSTALLING A SECOND WATER METER, KINDLY CONTACT THE SEWER DEPARTMENT AT THE TOWNSHIP OFFICE (267-274-1140) SO THAT AN INITIAL READING WILL BE RECORDED.

IF A DEFECTIVE METER MUST BE REPLACED, PLEASE LET US KNOW.

ALSO, IF YOU ARE ON OUR RECORDS FOR CURRENTLY HAVING A SECOND WATER METER, IT IS NOT NECESSARY TO CONTACT US.
