

Electric Water Heater Permit

Fill out a **LMT Building Permit application**. A Building Permit application can be either downloaded from our LMT.org website or picked up at LMT Township Building. Fill out Location, Cost, Explanation of Work to be done, and Section IV on Application.

Include a **Plumbing Sub-code** form, a **Mechanical Sub-code** and **Electrical Sub-code** form. These forms can also be found on LMT Website under Planning and Zoning Department.

Attach a copy of Manufacturer's Specifications of water heater.

Submit permit application to Planning and Zoning Department.
