

LMT ECONOMIC DEVELOPMENT COMMISSION
12/15/15 MEETING NOTES

1. Thanks to Ron Smith
 - a. Because he was participating on the interview process for the replacement Supervisor during our scheduled meeting time, we were not able to directly thank Ron Smith for his service to the EDC as the 2015 BOS Liaison. Throughout this year, his presence and active participation helped guide us through our discussions and project planning. We appreciate these contributions and wish him well going forward.
