

2016 LEAF PICKUP SCHEDULE

General Collection Information

- Leaves will be collected Monday – Friday except in conditions of extreme weather.
- The Township will follow the published schedule as closely as possible, making minor adjustments as needed due to prevailing conditions.
- Leaves are to be placed along the edge of the roadway, but not in the roadway. Leaves in the road may result in traffic safety concerns or street flooding.
- Leaves cannot be collected if there is brush or branches mixed in. Please also do not place any other items with leaves such as soil, rocks, bricks, potted plants, etc. They will clog/damage the collection machine or put our workers at risk.
- Please do not park any vehicles so they obstruct access to leaf piles. Doing so may result in your property being missed.
- If you choose to bag your leaves, please ONLY use biodegradable paper bags. Leaves in plastic bags delay collection.
- Residents may also bring their leaves to the Township Recycling Yard at 1100 Edgewood Rd., Monday – Saturday.

Contact Public Works at 267-274-1130 with any questions or concerns.

Thank you in advance for your cooperation.
