

LOWER MAKEFIELD TOWNSHIP CITIZEN TRAFFIC SURVEY

In 2006, the Lower Makefield Township (LMT) Board of Supervisors formed the Citizens Traffic Commission to work with it on improving traffic problems in the Township. The Township and Commission have begun a process to identify problem locations. The first step in the process is to gather citizen input.

Please provide feedback on the following traffic issues:

Your street or neighborhood of residence: _____

Name the one **road segment** in the Township you feel is the most **congested**.

_____ from _____ to _____

For Example: Taylorsville Road, from Dolington Road to Woodside Road

Name the one **roadway intersection** in the Township you feel is most **congested**.

_____ and _____

For Example: I-95 and Yardley-Newtown Road

Name the one **road segment** in the Township you feel is most **hazardous**.

_____ from _____ to _____

For Example: Taylorsville Road, from Dolington Road to Woodside Road

Name the one **roadway intersection** in the Township you feel is most **hazardous**.

_____ and _____

For Example: I-95 and Yardley-Newtown Road

Name the one road in the Township you feel most needs **pedestrian and bicycle improvements (for example, bike paths, wider road shoulders, bike lanes)**.

_____ from _____ to _____

For Example: Taylorsville Road, from Dolington Road to Woodside Road

Do you have any additional feedback on traffic concerns?

You can mail or fax your completed survey to:

Name & Address (*optional*):

Lower Makefield Township
1100 Edgewood Road
Yardley, PA 19607
Fax: 215-493-3053

LMT and the Citizens Traffic Commission appreciates your input!
