WELCOME NEW MANAGER

Lower Makefield is excited to welcome David W. Kratzer, Jr. as the new Township Manager. David started at the Township on January 9, 2023. He is a welcome addition to the Lower Makefield Township team.

David is an experienced local government executive with a demonstrated history of working cooperatively with elected and appointed officials throughout the Commonwealth of Pennsylvania. He is experienced in virtually all functional areas of local government including, but not limited to, public finance, land use and planning, labor and employment, community engagement/branding, and strategic planning.

Prior to joining the Township, David served as the Township Manager of Susquehanna Township in Dauphin County, where he led the operations of a municipal staff of approximately 75 full-time employees and had responsibility for the management of an approximately \$30 million annual budget.

He earned his undergraduate degree in history from Saint Joseph's University and a master's degree in public administration from the Pennsylvania State University.

"Lower Makefield Township is a special community with a history of excellence," Kratzer said. "I look forward to working cooperatively and collaboratively with the Board of Supervisors, staff, and the community to sustain and build upon the Township's past and current success. This appointment is a significant professional opportunity for me. My family and I look forward to becoming a part of this vibrant community."

Please join us in welcoming David to the Lower Township Community.

Welcome, David!

POLICE

WELCOME OFFICER JUDGE, THE NEWEST ADDITION TO THE LMTPD

This Lower Makefield Township Police Department would like to welcome “Judge” as the newest member of the Canine Unit. Judge is a 2-year-old Belgian Malinois and came from a canine vendor in Connecticut.

The acquisition was made possible due to a generous donation from Jim McCaffrey of McCaffrey Supermarkets. The donation was administered through “The Hometown Foundation Inc.”. The foundation supports animal welfare, emergency response personnel, individuals with disabilities or in need, major illness, and military personnel.

Officer Steve Tamburo has been selected as Judge’s handler. Both will go through extensive training at the Philadelphia Police Canine Training Academy. Judge is currently being trained in locating missing persons, protection, apprehension, and evidence and property recovery techniques. Once complete, the team will move onto narcotics detection certification. The team will start patrolling once training is completed in April 2023.

The department would like to thank all those involved who made this addition possible.

FIRE SERVICES

On December 7, 2022, Firefighters Jennifer Boxer, MacKenzie Crain, Theo Fiori, and Laurie Stiles completed the fall semester 192-hour Firefighter 1 national certification course instructed by the Bucks County Community College. These 4 members put in numerous hours beyond the course studying and practicing hands on skills. We are extremely proud of these members and encourage them to continue to grow and learn in the fire service! We currently have members attending the spring semester Firefighter 1 course and look forward to them completing the course and continuing to serve the community.

The fire company responded to over 650 calls for service in 2022, varying from house fires, vehicle fires, hazardous conditions, and many other emergencies that the company members handled. This number of calls for service has grown over the years from the expanding growth our community is having. Community growth is great, but it also puts a toll on the emergency responders that protect the town. The fire company is always looking for residents in the community who might be interested in joining to reach out via our website (www.yardleymakefieldfire.com). Whatever skill set you have there is a place for you in the company!

Electric Bicycles and Scooters Fire Safety Tips:

Electric bicycles and electric scooters, or e-bikes and e-scooters, are more popular than ever. These devices give riders a lower-cost and environmentally friendly way of getting around. But, unknown to many users, the batteries that power e-bikes and e-scooters have also been known to catch on fire and cause explosions.

What are e-bikes?

E-bikes and e-scooters are technically known as “motorized micro mobility devices.” They are powered by electricity, which is usually provided by a lithium-ion battery. E-bikes can have a motor that either fully propels the vehicle or assists the rider with pedaling.

Do e-bikes catch on fire?

Most e-bikes and e-scooters are powered by lithium-ion batteries. This is the same type of battery that powers many of today’s electric vehicles, cell phones, laptops, and power tools. When lithium-ion batteries are damaged, they can overheat, catch on fire, and even lead to explosions. When fires occur, they also tend to burn very hot and can be difficult for firefighters to extinguish. E-bike and e-scooter battery fires have also been associated with faulty charging equipment, improper charging practices, and overloaded electrical circuits.

How often do fires occur?

While there are no national or international statistics on how often e-bikes or e-scooters catch on fire, it does happen with some regularity—and the numbers are rising. The New York City Fire Department (FDNY) has reported more than 200 such fires in 2022. These fires have led to multiple deaths and dozens of injuries. In 2019, the first year FDNY started tracking e-bike fires, only 13 were reported.

How can you stay safe?

There are a few ways to reduce the risk of fires involving e-bikes and e-scooters. First, if you are looking to buy one of these devices, only purchase ones that are listed by a

continued on next page

nationally recognized testing lab and labeled accordingly. If you already own or use a device, don't continue to charge the battery once it's full, never use charging equipment that didn't come with your device, and stop using your device if the battery shows signs of damage, such as an unusual odor or change in color. If your device needs repairs, have them performed by a qualified professional.

For more information go to the National Fire Protection Association (NFPA) website at www.nfpa.org.

Any fire related questions or concerns (non-emergency) please don't hesitate to reach out to the Fire Service Director at firesafety@lmt.org or 267-274-1127.

Fall Drop-Offs	
Saturday, September 23rd	7:00 AM - 3:00 PM
Saturday, October 21st	7:00 AM - 3:00 PM

Acceptable yard waste: wood, grass clippings, tree limbs and leaves. Please cut limbs down to 6' lengths. If you are planning on bringing in large diameter logs (over 36") please call ahead.

Not acceptable yard waste: pressure treated lumber; root balls; wood coated in creosote; bamboo; ornamental grasses; anything with dirt; appliances; tires; concrete; asphalt; stone; furniture; electronics; wood with spikes, nails or other hardware. No bagged material is permitted in the yard.

Any loads with unacceptable materials will not be permitted to enter the yard.

What to expect during the Yard Waste Drop-off Day

The Lower Makefield Township yard waste drop-off site will be open several days throughout the year for LMT residents to use. A contractor working on behalf of a LMT resident can also visit the site.

- We will have an employee looking in the beds/backs of vehicles to ensure only yard waste is coming into the yard. They will also record license plate numbers so we can keep track of number of users and repeat visitors. You will also need to show your ID with your address to verify place of residence.
- The number of vehicles permitted down in the yard at one time in order to manage "traffic" in the yard.
- We will have employees in the yard to direct traffic where the vehicles are to drop off yard waste.
- We will have another employee operating the front loader to push the pile as it gets larger. This will help ensure an orderly process of where vehicles are dumping.
- **Any vehicles with items not permitted will not be allowed into the yard to dump.**

PARKS AND RECREATION

WHY PLAY FOR ALL?

Many people play cards, play with a ball, play an instrument or act in a theatrical play and so on...we could play on words all day but you get the idea...

Play is not just for kids it is something that follows you into adulthood and allows many an opportunity to relieve stress, promote good health and to be one with nature. If you look for a definition of play you will find many variations of the word which is why "Play for All" works. Simply, play is something you do for leisure or recreation that is not serious.

Play promotes good health both physically and mentally and allows for opportunity for human interaction and hands on education.

The Lower Makefield Township Parks and Recreation Department is located at the Community Center and is open to the public, Monday-Friday from 8:30am-4:30pm field or pavilion rental requests, and to sign up for programs like the ones you will find within this guide.

You can also register ONLINE! for The Pool, the Dog Park, field and pavilion permit requests, as well as classes and programs. These opportunities can be found at:

REGISTER.COMMUNITYPASS.NET/LOWERMAKEFIELD

(If you already have an account for The Pool, Dog Park, or from a previous class, please sign in using the same account!)

For questions or feedback, please call 267-274-1110 or email prinfo@lmt.org.

VISION: PLAY FOR ALL

Mission:

HEALTH: Improve physical health, mental health and overall quality of life by offering safe and accessible facilities and open space.

ENVIRONMENT: Act as environmental stewards through responsible use of the natural environment and protect and maintain Parks and Recreation assets.

COMMUNITY: Create opportunities for the community to connect through a wide variety of partnerships, programs, events and classes.

INFORMATION

MACCLESFIELD PARK STUDY

Lower Makefield Township recently adopted a new Parks and Recreation Play for All Master Plan and part of the plan is the rehabilitation of Macclesfield Park due to its high traffic, congestion, and overuse. The intent of this work will be to study and address the issues within Macclesfield Park and to create a plan moving forward that meets the needs of our sports groups and the community.

Now that the use of the park has greatly increased and the demand for space is greater than ever it is important to reevaluate. The use and layout of the park for the optimal user experience for user groups, neighbors, and park goers.

The Board of Supervisors selected Johnson, Mirmiran & Thompson, Inc. (JMT) for this project. JMT is equipped with highly trained and

specialized professionals to study site capacity, proper parking and circulation for optimal use, ball field revitalization and support facilities to include pavilions, other recreation amenities, restrooms, and lighting.

The purpose of this would be to devise solutions for community and league needs for ball fields and support facilities such as parking circulation. In the end the master development plan should determine the capacity of the site for ballfields, parking, and circulation. The recommendations should be made for improving the park for sports leagues, and park use during the non-organized hours.

To learn more about the study and how to participate in this study, please visit [Play For All Planning | Lower Makefield Township \(lmt.org\)](#)

YOUTH COMMITTEE

Lower Makefield Township is happy to announce that we have brought back our Youth Committee. After a long year off due to COVID-19, we have successfully made a comeback. The LMT Youth Committee is made up of 9th to 12th graders who are looking to get involved in the Lower Makefield Township Community. The Youth Committee volunteers in numerous service opportunities throughout the year to help make the

Township a better place for all. For more information, please visit [LMT Youth Committee | Lower Makefield Township](#) or email elawson@lmt.org.

Mission Statement: Organize leadership, community service, and recreational opportunities for and by the youth in our community and make recommendations to the Parks and Recreation Board.

PARKS AND RECREATION

New in 2023

Implementing Pathway to Zero Waste Plan in the Parks

Over the past few years, the Environmental Advisory Council and the Parks and Recreation Department, and Parks and Recreation Board have been working together to develop a plan to reduce waste within the Township. After years of discussion and final approval by the Board of Supervisors the plan is ready for implementation.

The Pathway to Zero Waste is just a start to a long-term commitment to reduce waste in the Landfills. This will mean that residents can expect their park experience to be a little different as the Township starts to implement the new plan.

Part of this plan to reduce waste in the Township is a new **Carry in Carry Out policy** within the Parks. The Carry in Carry Out model will be phased in through 2023/2024. Park users will be encouraged through signage to be responsible for any waste they bring into the facility. Most parks will go to a strictly Carry in Carry Out model meaning that waste receptacles will be removed from the facility. Park users will instead remove their personal waste and be encouraged to practice recycling in their everyday lives. This program will not only be environmentally responsible, but it will also allow the Department to reallocate staff resources towards other projects.

To view the full plan please visit: [Play For All Planning | Lower Makefield Township \(lmt.org\)](#)

ART IN THE PARKS

In 2022 the Community Needs Assessment identified that there is a need for more Arts and Culture in the Parks and was added to the Play for all Plan as an area to address. As a follow up Artist of Yardley and the Parks and Recreation Department put their heads together to find a way to imbed Art within the Parks. After reaching out to Seward Johnson Atelier located next to the Grounds for Sculpture, we identified a project partner that would allow the Township to host sculptures for a six-month period within the parks. The theme of the project is the vision of the Parks Department "Play for All." Artist of Yardley committed \$5,000 to the project, the Township committed \$5,000 to the project and recently Visit Bucks County Granted the Artist of Yardley an additional \$7,500 for this project. This will allow the Township and the Artist of Yardley to imbed 8 to 10 sculptures throughout the parks and implement programming that encompasses all forms of art to include visual and performing arts. Some of these plans are still under development, please check the township website for more information.

MONDAY

ZUMBA GOLD with Rachel

8-Week Series | 8:30 AM

February 6 – April 3

Resident: \$60.00 Per 8-week session

Non-Resident: \$69.00 Per 8-week session

Zumba Gold is perfect for anyone who is looking for a modified Zumba class that recreates the original moves you love at a lower intensity. While it is targeted for the older active adult, anyone can join in the fun! The design of the class introduces easy to follow Zumba choreography that focuses on balance, range of motion and coordination. Come ready to sweat and prepare to leave empowered and feeling strong. **Benefits** - Class focuses on all elements of fitness: cardiovascular, muscular conditioning, flexibility, and balance. Have a water bottle close by.

CHAIR YOGA with Maria

every Monday and Thursday | 10:00 AM

Punch Cards will be available for purchase at the Community Center

\$40 for 8 classes | \$10 Drop in Class

Chair Yoga is an excellent practice for those who are looking for an alternative to traditional mat yoga. The benefits are improved flexibility, balance, strength, & circulation.

We will begin with connecting to our breath by practicing pranayama (breath work), which will activate the para sympathetic nervous system, (rest & digest mode) releasing stress, promoting healing & recovery.

The physical practice will include; seated & balance poses w/ the support of a chair. We will work to stretch, strengthen, and increase circulation & mobility throughout the entire body.

ALL LEVELS YOGA with Jeanine

6-Week Series | 6:30 PM

March 6 – April 10

Resident: \$54.00 Per 6-week session | Non-Resident: \$62.00 Per 6-week session

Bring balance and strength to the body and mind in this 1-hour yoga flow class. The class will consist of mindful movement through basic foundational poses with a focus on good alignment and connecting motion to breath. Each class will end with a relaxing meditation in Savasana. This class is for all levels of students with modification given to make it accessible for all and provide challenge for the seasoned practitioner. Through the practice of yoga, the physical body can be strengthened, mobility increased, and balance improved, all with the side benefits of improved mental focus and stress reduction.

THURSDAY

GENTLE MAT PILATES with Christine

6-Week Series | 10:00 AM

February 23 – March 30

Resident: \$105.00 Per 6-week session

Non-Resident: \$121.00 Per 6-week session

Joseph Pilates described physical fitness as the first prerequisite of happiness.

Our bodies are meant to move, and Pilates is where core strengthening, postural alignment, the breath, and focused movement come together to awaken the body, ease tension, and recruit muscles that help you move with more grace and flow.

In addition to classical mat Pilates exercises, this class includes standing balance and body resistance exercises for participants at every level.

STRENGTH TRAINING with Sandy

8-Week Series | 6:30 PM

March 9 – April 27

Resident: \$90.00 Per 8-week session

Non-Resident: \$104.00 Per 8-week session

This is non-cardio workout using light hand weights to work all of our major muscle groups. You will gain strength, coordination and burn calories. Let's feel better, stronger and have fun together! Bring hand weights, mat, towel and water bottle.

FRIDAY

YOUTH FITNESS & WELLNESS

MONDAY

PRE-TEEN YOGA (AGES 8-13)

6-Week Series | 5:15 PM

April 3 – May 8

Resident: \$163.00 Per 6-week session

Non-Resident: \$188.00 Per 6-week session

Yoga for pre-teens is to improve the physical body and work on overall mindfulness. The yoga poses or asanas help to strengthen pre-teens bodies, improve balance, and increase flexibility with long term results of improved fitness and injury reduction. A yoga class can provide a no-judgement zone where tweens can work on improving self-control while developing confidence and a positive body image. Through movement and meditation, focus and concentration can be improved while stress and anxiety are reduced. Having the space to diffuse stress can even lead to better sleep which has many positive downstream effects. This class will include a physical practice moving progressively through warmups, standing and seated poses. It will incorporate strength building, body-breath connection, balance and flexibility work, ending in a relaxing meditation in Savasana with some fun activities incorporated along the way.

Thanks to a grant that was awarded over these past few years by the Women Golfers Give Back Organization We were able to grow and expand our Girls on Course Program. This program since its inception has continued to thrive and expand as word has gotten out. We have been honored to help grow this aspect of our golf legacy. For additional information or to get onto the email list, contact the Jr. Golf Coordinator, Joe Garstka, at joeg@spiritgolf.net. Our Toptracer Range is turning heads and getting Great feedback! Guests of all skill levels are enjoying playing virtual golf games, competing against friends, and seeing their shot trace and stats on interactive game screens.

Our monitor bays and mobile interaction through the Toptracer app are adding another dimension to the range. We now host parties and offer food and beverage service at the range. With over 9 game scenarios offered, Toptracer is changing the way you hit at the range. Test your skills, challenge your friends, and enjoy the Toptracer experience! One of the great features that Toptracer offers is virtual Golf! Customers have the ability to play from some of the best golf courses available to PGA tour players and now you.... Pebble Beach, Torey Pines, St. Andrew's and many more.

As always, our MH Tournament programs continue to be a success. In 2022 we had the greatest number of participants in the association, and we want to give thanks to the LMT golf committee members who helped in expanding these programs. It has been great to see the addition of many ladies joining the organization. Registration for the MHG Assoc. in 2023 will be open and on our website as early as March. Keep your eyes out for any updates. As always one of our highlights is the Folds of Honor golf event. This year with the addition of the 5K/10K Walk/Run, hosted in early November, we showed our best year yet with money raised for families of fallen soldiers. LMT Parks and Rec worked with MHGC to find ways to expand money raising opportunities. Over the last 3 years we have raised over 20K for the FOH organization. We couldn't have done it without the help of our Lower Makefield Golf Committee commitment to such a well deserving charity. Thanks to all those that participated and helped us achieve that success. We hope to surpass our numbers next year!

Fairway IQ will continue to be used as a management tool to help monitor our golfers Pace of Play. As you have seen, the golf staff has a monitor in the golf shop that displays the entire golf course and lets the golf staff know when a group is out of position. The goal has always been to locate a group out of position Before it becomes a problem for the remainder of the day. Fairway IQ helps us keep tabs on carts, players, and the pace of play. Thereby helping create a nice flow of play for our golfers. MHGC golf staff is always trying to ind ways to improve your overall experience.

2022 Winter Year-End Review & 2023 Season Upon us... As the 2022 year comes to an end, your MHGC family wants to wish you and yours a happy and healthy holiday season. The 2022 season was OUR BEST year as we surpassed our goal. One of the many improvements made this season was the renovation of another 12 more green side bunkers. This has greatly improved the playability of the course. The remaining green side and a few more fairway bunkers will be completed over this off-season into spring of 2023. Our improvements to our Top Tracer Driving Range was also enhanced with a New Tee Line system to create 22 total stations with six of the stations being covered and offering Top Tracer Monitors. All of our 22 stations offer Top Tracer technology allowing anyone purchasing a bucket of range balls access to our free Top Tracer Mobile App. The app allows you to track and manage your practice and includes games and fun activities for all to enjoy. Please be sure to download the app next time you are here and start enjoying all that Top Tracer offers. Our Toptracer offerings have grown as well due to new games and challenges that Toptracer has added to their programs and monitors. We are excited to continue this momentum going into 2023 and we encourage you if you are interested in hosting an event using Toptracer please be sure to speak with our Banquet Team at (215.321.7000 ext 115) to learn all that Makefield Highlands has to offer.

We will continue into 2023 with our Adult Instructional clinics organized by David Smith, PGA Director of Player Development. Makefield Highlands golf professionals partnered with LMT Parks & Rec, to offer beginner classes for adults both Men and Women. The program is a great success, please look at LMT Parks & Rec calendar of events to sign up and learn how to play golf! As we strive to continue to bring you the best golfing experience possible, we would love to hear from you so that we can improve and grow your Highlands experience. We are always looking for ways to enhance the Highlands experience and bring more of the community together. We are looking forward to an even better 2023.

Junior Golf for 2023

Follow us online and through social media for registration announcements. Spaces fill up quick so please take note. Our Summer Programs will provide various options for juniors varying from ages 5-16. Additional information can be found by visiting <https://makefieldhighlandsgolf.com/makefield-golf-instruction/#juniorgolf>. The programs will continue to be provided between late June and up until mid-August. However, many programs will be taking on more of an academy style feel with course access over longer periods of time as opposed to the two-week, two session clinics previously delivered.

Makefield's Public House Restaurant had our BEST YEAR EVER! We look forward to building off of our momentum by enhancing our menu items for Spring 2023. Throughout the season we offer two outdoor venues with our Event Tent and

to create a great experience for your next private affair. Our banquet team is ready to help you plan your next party, wedding, or special occasion indoors in our clubhouse or outdoors in our fully outfitted Manor Tent and Silo Bar. Check our website for more information or stop in for a cocktail or one of our many draft beer selections.

Patio dining overlooking the 18th hole. We offer both ala carte dining and private events year round. Throughout the season we offer our Woodside Smokehouse Grille, which offers a selection of smoked meats, chicken, fish and vegetable selections. We of course offer a full selection of menus both buffet, sit down and live stations.

Private Events

Plan your next event with us! Call our Banquet Team at 215- 321-7000 ext. 115 to take a tour or discuss your special occasion or golf outings.

Don't Sell it, Donate it!

& Change Someone's Life in Bucks County!

Transportation is one of the biggest challenges facing families working towards self-sufficiency. Your car will help a Bucks County family take another step towards leaving poverty permanently.

Your gift may get the highest possible tax deduction allowed by law because donated vehicles are given to families in need.

To get started, contact Eileen Albillar at ealbillar@bcoc.org
or 215-345-8175 x209 or visit bcoc.org.

The Bucks County Opportunity Council, in partnership with Bucks County Community College and the Gene and Marlene Epstein Humanitarian Fund, is currently seeking both good, used automobiles and financial support to help those in need of reliable and safe transportation.
