**Those present:** Helen Heinz, Chair & Treasurer  
Barbara Nuzzolo  
Becky Diamond, Secretary  
Eric Rockenbach, Secretary  
Joe Camaratta

**Treasurer's Report** -Helen advised as to balance of Commission funds.

**Financial** - No bank account of our own, money held by the Township. Balance - \$4667.90.

**Minutes**—Barb approved minutes from prior meeting. Joe seconded the motion. Helen reiterated that minutes should be sent to Barbara Ellison, Lower Makefield Township Manager's Assistant.

**Slate Hill Cemetery:**

- Helen suggested that as soon the township opens, we get a group of Boy Scouts to get the tombstones installed in the cemetery. Then we will schedule the dedication for later this summer or fall when we are able to gather in small groups.

**Old Business:**

- We still have not met with our Township Manager and we have not made any presentation to the BOS—again postponed to July or August.

**Edgewood Village:**

- HARB has not met since last Fall. At the LMT meeting on Wed, (April 15) a lawyer is on the agenda to discuss zoning variances for Edgewood Village. There's one building (Carriage Crest) that Troilio (a developer) will likely try to tear down, and another building, (Heston Hall), for which he is seeking a variance for a parking lot. A petition put together by Kathy Hirkois is circulating throughout the township. Helen will keep her eyes open.

**Other topics:**

- Helen is slowly putting Powerpoints on LMT History website.
- Has been talk of moving Community Pride Day to August.
- Barb is still trying to get in touch with Weiner family regarding Octagonal Schoolhouse.
- Becky received the tent/canopy for HC outdoor events and will keep it in her garage until needed.

Meeting adjourned at 7:25PM

Respectfully submitted,  
Becky Diamond
