### Any overall feedback for the event?

My son was eager to go to each session.

The room is way too small for that many people doing yoga!

My son loved this and would have signed up again if it had been offered in his age group.

A bigger room is needed for safe distances between participants if you keep allowing more people to join the class.

My daughter thought the teacher was amazing!!

it was so much fun!

Really enjoyed the class. Would like a follow up class.

Good way to start the day

The room we use is small number of participants should be limited. At times there were 16 made it very tight. Thank you

Program was excellent, however registering and paying for class not easy to navigate.

Zumba Gold with Rachel lifts my spirit

My kids felt like there was more talking from the instructor and less of them actually drawing.

When I tried to sign up for the class it wouldn't allow me to say it was closed. I spoke with Linda and she said it wasn't filled and she signed me up for it

Rachel is wonderful! I've met some very lovely women through this class, I love it!

Website for registration is difficult to navigate to class registration

Rachel is a great instructor. She explains the steps, is enthusiastic and makes the class fun.

Great experience!
