

LOWER MAKEFIELD TOWNSHIP
Parks & Recreation

To whom it may concern,

This letter is to certify that Christopher [redacted] performed services hours for the Lower Makefield Township Environmental Advisory Council and Parks and Recreation Department November 16, 2019. Due to Christopher and our other volunteers we were able to plant over 70 trees and shrubs at one of our community parks in just one days' time. This was a huge accomplishment on a long cold day but that you to the people in this community we were able to get the job done.

Very Respectfully,

Monica A. Tierney MBA, M.Ed.
Director of Parks and Recreation
