Chief, We are wrapping up all of our Parade logistics and wanted to see if we could meet with you to go over safety and traffic control. This will be status quo from previous years. So if a meeting is not necessary that is fine too. I was also wondering if Tom wouldn't mind making up the maps like he has in the past. The Parade is November Sixth at 1PM with the ceremony following the Parade.

Thank you,

Monica Tierney

Monica,

In case you didn't have these already. Because general parking will now be at Afton, attached are 2 maps for any press release or web you are going to make regarding where people show up to park. One is a general overview showing Afton and how to possible get to it from the different highways. The second one is more focused on the route from GOR to Afton.

The last time I made these, they were 8.5" x 14". In case you don't have laminate for that size, I also made them 8.5 x 11. Both are attached.

Subject: 9/11 Family/Participants Check In Signs Pls

Hello Captain Roche.

Would it be possible to create two signs for our check in locations using the same background as you did for handicap seating ?

We would need them to say:

1. PARTICIPANT CHECK IN
2. 9/11 FAMILY CHECK IN

I missed that. But yes no parking at the Township Complex. The library is closed for the day.

Hopefully you forgot to take out the handicap parking. NO parking in the township complex. There is no way of getting them there with the road closed. Handicap are in the CC paved lot.
