Helen will follow up and come up with a plan by the next meeting if we are going to back the re-enactment. It will involve an unspecified expenditure. A time capsule was suggested as an alternative event.

Treasurer's report passed over as ongoing expenses, with only minor amounts for archives. Tom is on it.

Implementation of Historic Buildings enumeration addressed by Joe, Cathy and Jeff. His work has produced 2 different lists of Township historic properties. One shows buildings either eligible or on the National Register or Heritage Conservancy list for local importance. Second listing is for old buildings with character, but some major structural changes over time. Jeff Marshall and other volunteers will continue making additions to these 2 lists for properties <1920s. On schedule.

Demolition Ordinance is proceeding with political process. Our rep Matt will push it on BOS.

Note: Edgewood Village Historic District is omitted since it is already on the National Register.

Helen and Jeff will meet to be sure all buildings on both lists are represented correctly and to add several to the second list. Joe and Cathy will collate lists for BOS and follow up after that meeting.
