

Township of Lower Makefield

JOB ANNOUNCEMENT

FULL-TIME PUBLIC WORKS MECHANIC

The Lower Makefield Township Department of Public Works has an immediate opening for full-time Public Works Mechanic. Interested applicants must have the ability and willingness to work overtime, including mandatory availability for all forecasted winter and severe weather emergency events.

Applicants are expected to be self-motivated with strong organization and leadership traits. General duties include but are not limited to service, repair and maintenance of all Township owned vehicles, trucks, and equipment. This includes all light and heavy-duty gasoline and diesel, equipment and machinery. Maintaining inventory of replacement and repair parts. Maintaining records on all vehicle and equipment maintenance. Maintaining inventory and required documentation/inspections for Township owned and operated gasoline and diesel fueling systems. Performing PA State Inspections on Township owned vehicles. Qualified applicants must have a valid Commercial Driver's License (CDL) Class A (or ability to obtain within 1 year) and a Class 7 PA Certified Vehicle Safety Inspector License (or ability to obtain within 1 year). Salary and benefits shall be in accordance with the most current Collective Bargaining Agreement.

The starting rate for assistant mechanic is \$42.34/hour for a base annual rate of \$88,067.20 and lead mechanic is \$43.64/hour for a base annual rate of \$90,771.20.
