HIGH PRIORITY

Community Center: We are currently waiting for the phone lines to be installed. Once the lines are installed we will be able to complete final inspections and gain our occupancy permits. Opening Day for seniors may be delayed to later December early January. All other phases of the entry plan remain on track.

Dog Park: Construction is underway. The shed is to be installed along with electric and internet for the gate entry way. Park will be opening in the spring. Pre-registration will be starting in the following weeks.

FACILITIES UPDATE

Pool: We will be bidding out repairs to the pool because the initial quote came in at higher than \$20,000. This bid should go out soon. We prepared a request for proposal for the summer concessions.

Macclesfield Park: We are planning to have the turf field lined/maintained and winterization has begun. Lawn maintenance continues.

Greg Caiola/Tennis/Basketball/Fred Allan/Kids Kingdom:

Winterization has begun, mowing is continuous, staff is working on the conversion of the baseball field.

Memorial Park: Trees are being planted to either replace the dying trees or to expand the arboretum as part of Phase 8 of the plan. Through a Comcast grant the Garden Club has elected to donate a bench to the chimney section of the park.

Veterans Square: The Veterans parade was November 12, 2017. The Bike path was installed, electric was run for the sign. Sign went before the board 11/1/2017.

Bike Path: Bike path cleanup is underway to remove debris from the fall season.

Miscellaneous: Budget meetings are starting.

DOG PARK CLASSES

Dog Park Orientation Classes are now available on the Parks and Recreation Website:

November 29, 7:00PM-8:00PM

WELCOME

Lynn Todd has been promoted to Pool Operations Manager.

She will be taking care of all non-aquatic operations at the pool to include: events, programs, supplies, policies, processes, etc...

We are looking to fill the Aquatics Manager position in the next few weeks.
