

## **Township of Lower Makefield Sewer Department**

### **NOTICE TO RESIDENTS FROM THE L.M.T. SEWER DEPARTMENT REGARDING DEDUCT/SECOND WATER METERS:**

AS YOU KNOW, SEWER BILLS ARE BASED ON WATER CONSUMPTION INFORMATION SUPPLIED BY THE WATER COMPANY. IF WATER USE IS ANTICIPATED FOR SWIMMING POOLS OR IRRIGATION SYSTEMS, IT IS SUGGESTED THAT A DEDUCT/SECOND WATER METER BE INSTALLED TO MEASURE WATER THAT DOES NOT FLOW THROUGH THE SANITARY SYSTEM. (THE INSTALLATION IS THE HOMEOWNER'S EXPENSE.)

ALL WATER CONSUMPTION MUST BE METERED, THE DEDUCT/SECOND METER MUST BE INSTALLED **AFTER** THE WATER COMPANY METER, NOT ON THE LINE IN FRONT OF THE METER.

WHEN INSTALLING A REPLACEMENT OR NEW WATER METER, PLEASE EMAIL A PICTURE OF THE FACE OF THE METER AND A COMPLETED REGISTRATION FORM TO [customerservice@BCWSA.net](mailto:customerservice@BCWSA.net) IN ORDER TO DOCUMENT A STARTING READ.

IN AUGUST OF EACH YEAR, BCWSA WILL NOTIFY ALL RESIDENTS WITH A DEDUCT/SECOND WATER METER TO TAKE A PICTURE OF THE FACE OF THE METER AND EMAIL IT TO BCWSA. IN ORDER TO RECEIVE CREDIT, METER READS MUST BE SENT TO BCWSA **EVERY YEAR**.

**NOTE: IT IS THE PROPERTY OWNERS RESPONSIBILITY TO REPLACE ANY DEFECTIVE METER(S). AFTER THE METER IS REPLACED A PICTURE OF THE FACE OF THE NEW METER MUST BE RECEIVED BY BCWSA BEFORE FUTURE CREDITS CAN BE ISSUED. PLEASE CHECK YOUR METER PERIODICALLY TO ENSURE IT IS WORKING PROPERLY. NO CREDITS WILL BE ISSUED WITHOUT METER READS.**
