Mrs. Torbert called the meeting to order at 7:30 pm.

East School Lane: Mrs. Torbert forwarded Mr. Woods letter regarding speeding on East School Lane to Chief Coluzzi. The Chief agreed to increase enforcement in the area. Mrs. Torbert will draft a response to Mr. Wood. Mrs. Torbert will look into getting a "School Zone Ahead" pavement marking for East School Lane.

Makefield Road: Chief Coluzzi has not heard back from the Pennsbury School District yet on cost sharing for the improvements on Makefield Road. Resident Marianne Carroll has said she would like to see blinking lights included in the Makefield Road improvements in front of Makefield School, similar to those in front of George School.

Kings Road: Mrs. Torbert has acknowledged receipt of resident Georgena Kelly's complaint regarding speeding on King's Road. She will request increased enforcement and also refer her to the Traffic Calming Guidelines and the role that she and her neighbors must play in pursuing traffic calming measures. Mrs. Torbert encouraged Ms. Kelly to attend a future CTC meeting with her neighbors.

BOS Meeting: Mrs. Herman asked when the Master Plan Update would be on the Board of Supervisors Agenda and it was suggested at the July 18, 2018 meeting.

Dunkin Donuts: Mrs. Torbert noted she had not heard anything new on the status of the light in front of the proposed development.

Caddis Assisted Living: The Township and the developer are exploring different ways to realign and widen Dobry Road to accommodate increased traffic.

Bike/Ped System: The Park and Rec Commission has recently voted to develop a Master Plan to complete the bike path system in the Township.

Other Business: The July CTC meeting is cancelled. The next meeting will be held on Monday, August 20, 2018 in the Township Building.
