

New Resident

Welcome to Lower Makefield Township!

This page offers information that will help you settle into your new community. The information below, available throughout the Lower Makefield Township website, has been collected here for your convenience.

You can also keep up with the latest Township news by signing up for our mailing list: [Click Here to Join Now!](#). Get news from Lower Makefield Township in your inbox by selecting the subscriptions option that meet your interests, such as Dog Park, Parks and Recreation, Police, Pool and/or Township News.

Township residents contract independently for curbside trash and recycling removal. These [haulers](#) are not permitted to collect electronic and household hazardous waste from curbsides, but Bucks County officials schedule [dropoff events](#) several times per year in multiple locations. If you live in a community with a homeowner's association, please consult the association about who provides your trash services.

Depending on where you live, Sanitary Sewer service may be provided to residents by [Aqua](#) or [Township of Falls Authority \(TOFA\)](#) and Public Water service may be provided to residents by [Pennsylvania American Water \(water\)](#) or [Morrisville Municipal Authority](#). A list of other municipal services is available [here](#).
